

# AGENDA

## Stratis Health Resident and Patient Safety Outcomes Congress

May 11, 2011, 9:00 a.m. – 3:30 p.m.

Minnesota Landscape Arboretum, Chaska, MN

### Objectives

- Discuss state and national initiatives that may affect nursing home/hospital quality improvement and safety.
- Use lessons learned and best-practices from nursing homes/ hospitals that applied quality improvement and culture change strategies to improve the lives of those they serve.
- Describe how eHealth can help strengthen local health care organizations and systems and support improved care delivery in the future.
