

Stratis Health Overview

Improving Health Care Quality and Safety

Stratis Health leads collaboration and innovation in health care quality and safety, and serves as a trusted expert in facilitating improvement for people and communities. We are an independent 501(c)3 nonprofit, based in Bloomington, Minnesota.

Our transforming care framework describes how we support communities and health care organizations across the continuum of care, spanning urban, rural, and underserved areas, to meet the goals of the Triple Aim and succeed in changing payment structures.

Stratis Health improves health care delivery and makes lives better through its numerous roles:

- Capacity Builder**
- Community Leader**
- Health Care Strategist**
- Neutral Convener**
- Quality Innovator**
- Systems Change Agent**
